

I AM NOT A PUPPY

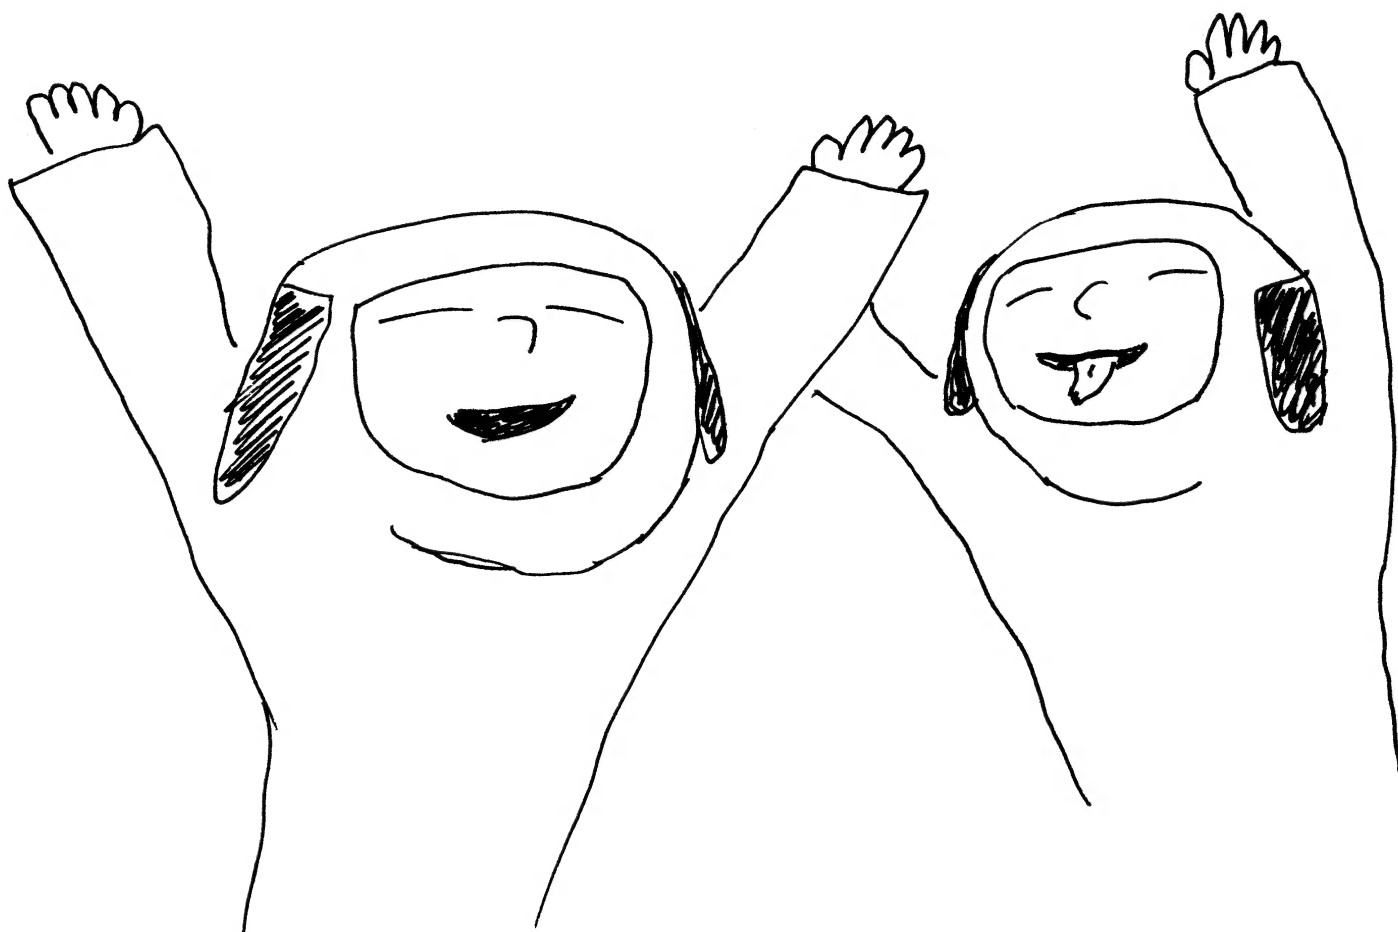

by
Liam McTaggart

What would you like to be for Halloween?
You can be whatever you want.

You should be a puppy like us!

I am not a puppy.

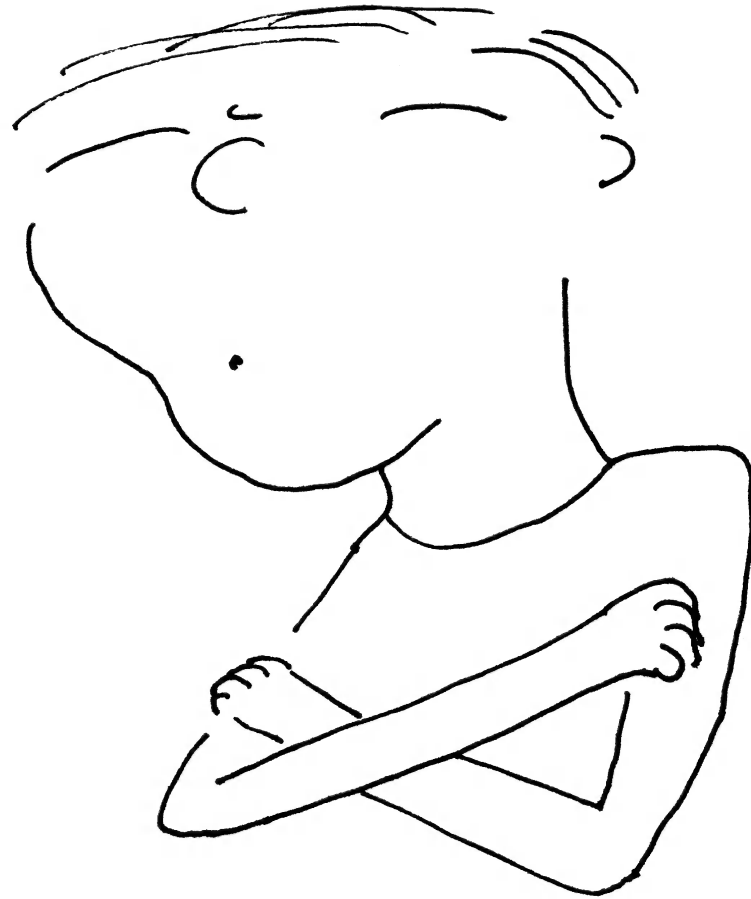

I am not small, and I do not bark.

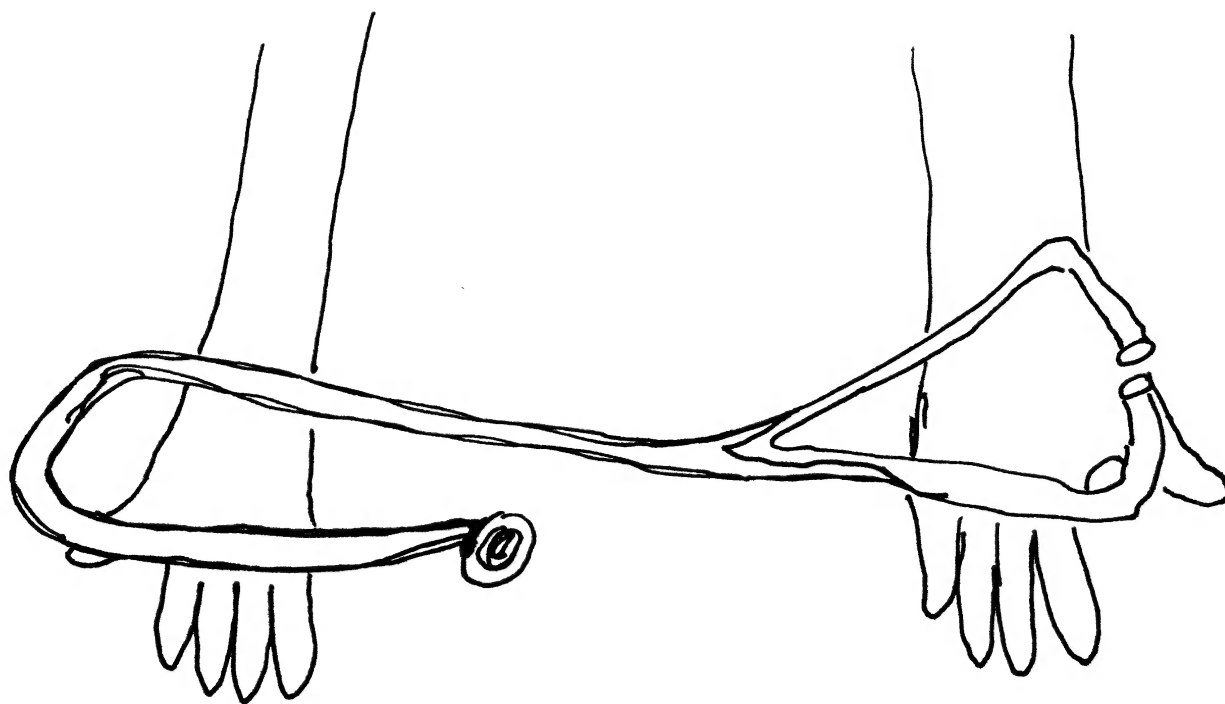

Would you like to be a witch like me?

I am not a witch.
I do not wear big hats,
and I do not know any spells.

How about a doctor?

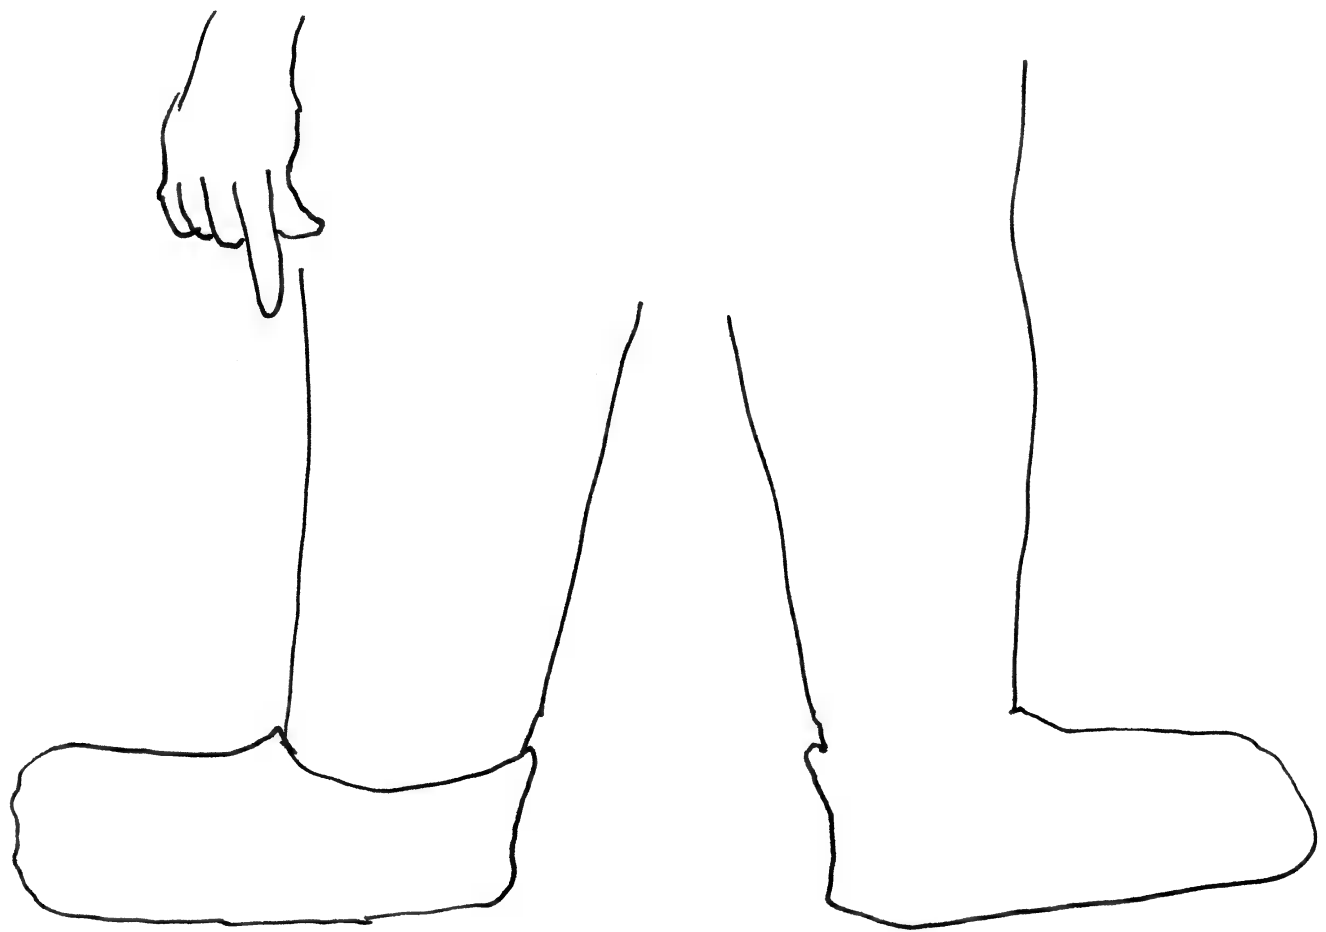

No, I am not trained to be a doctor.
And anyway, I do not have the best bedside manner.

Maybe you're a spooky ghost!

But ghosts do not have feet.

No, no, no, I definitely do have feet.

Are you a monkey?

Oh, I could never climb a tree.
I just stand on the ground, thank you.

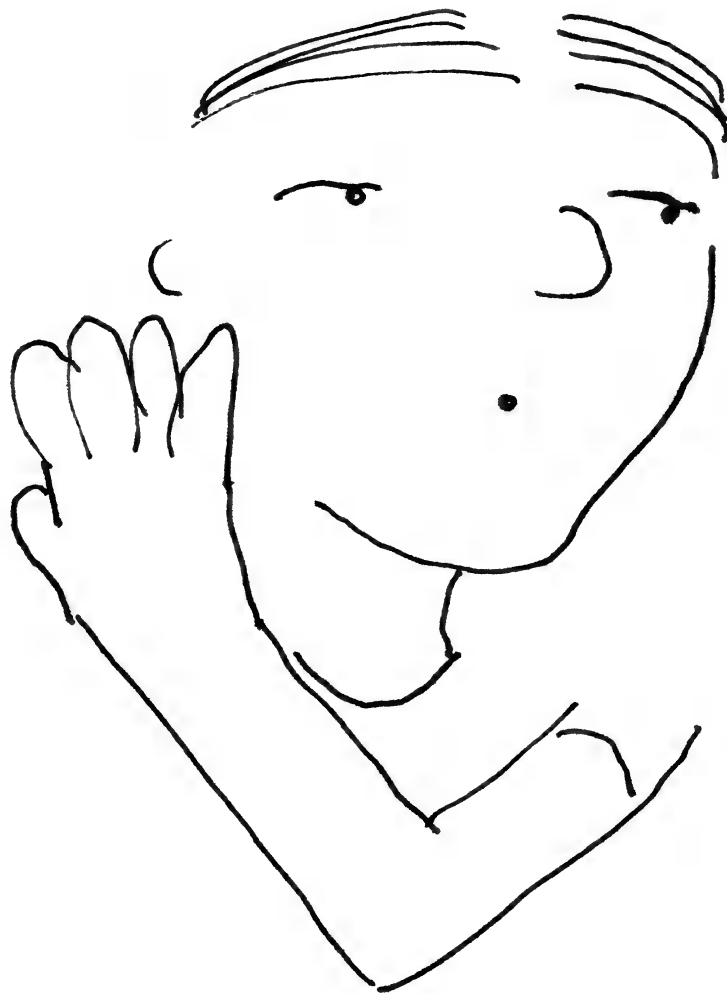

Well, if you like the water, you could be a fish!

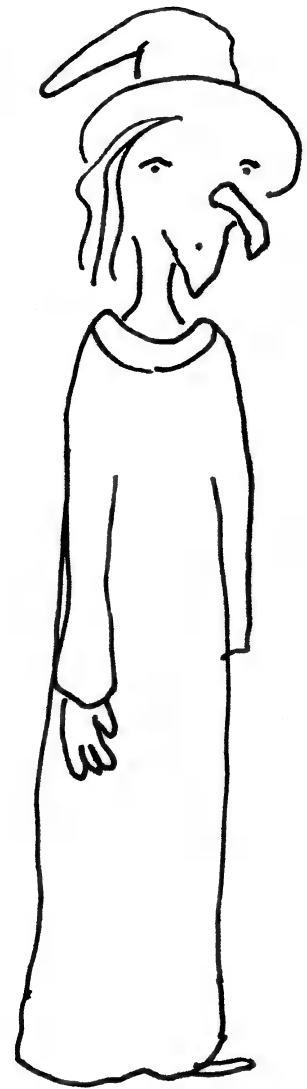

I feel no need to swim.
My hair would get wet.

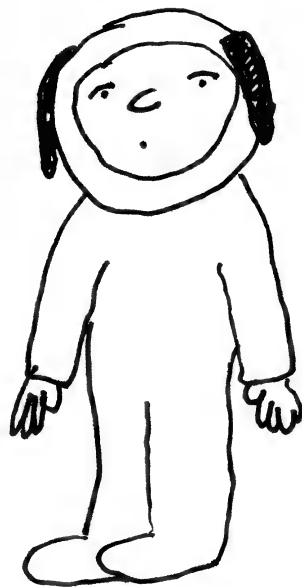

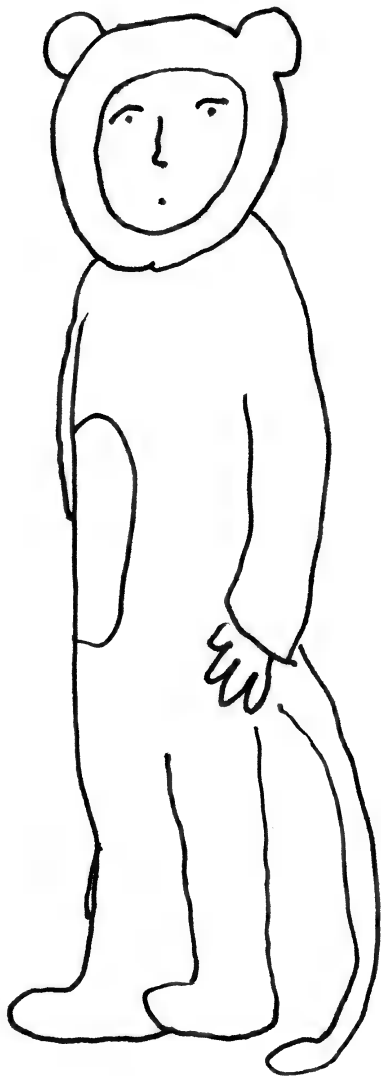

(And fish do not have hair)

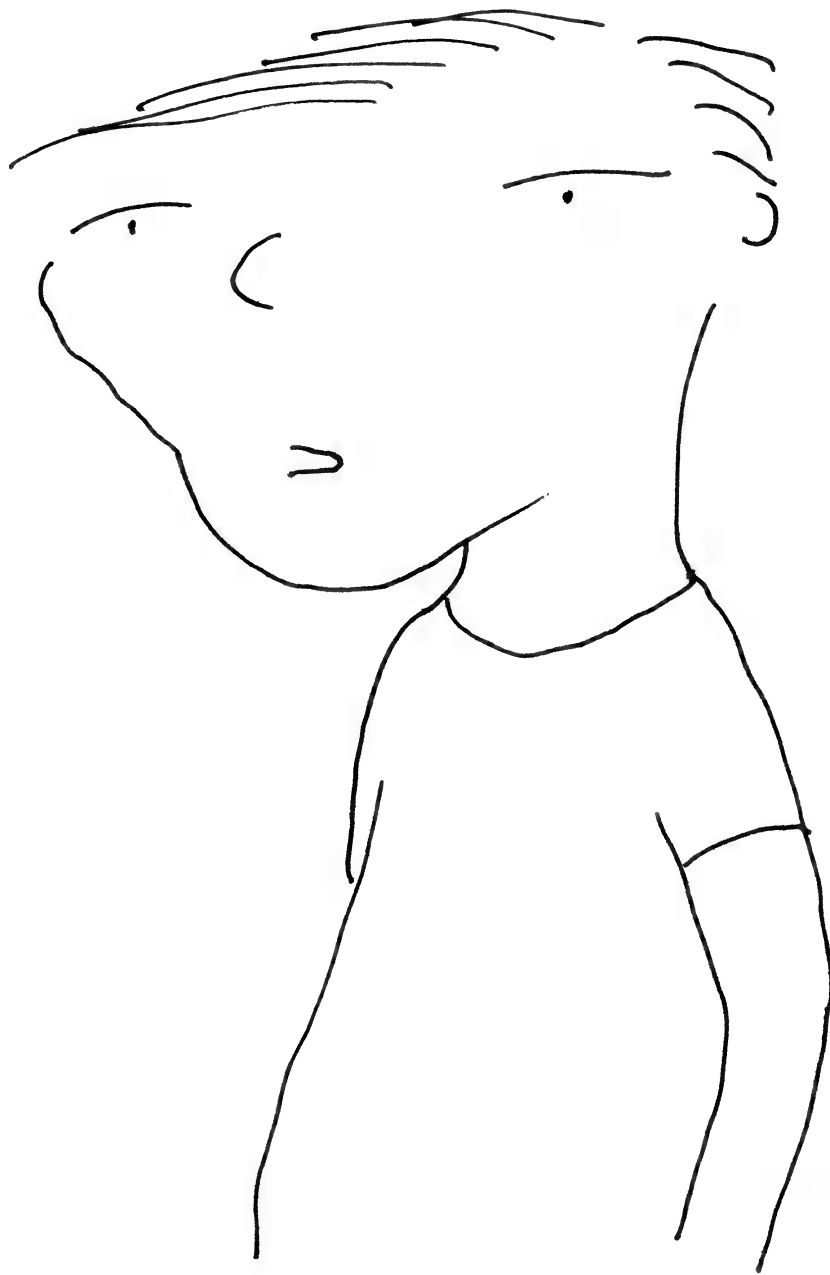

Well what are you?

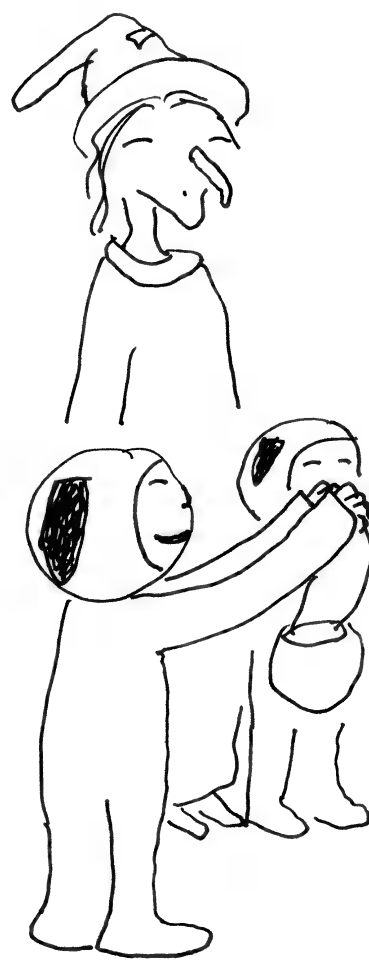

I told you on Saturday! I'm a horsey!

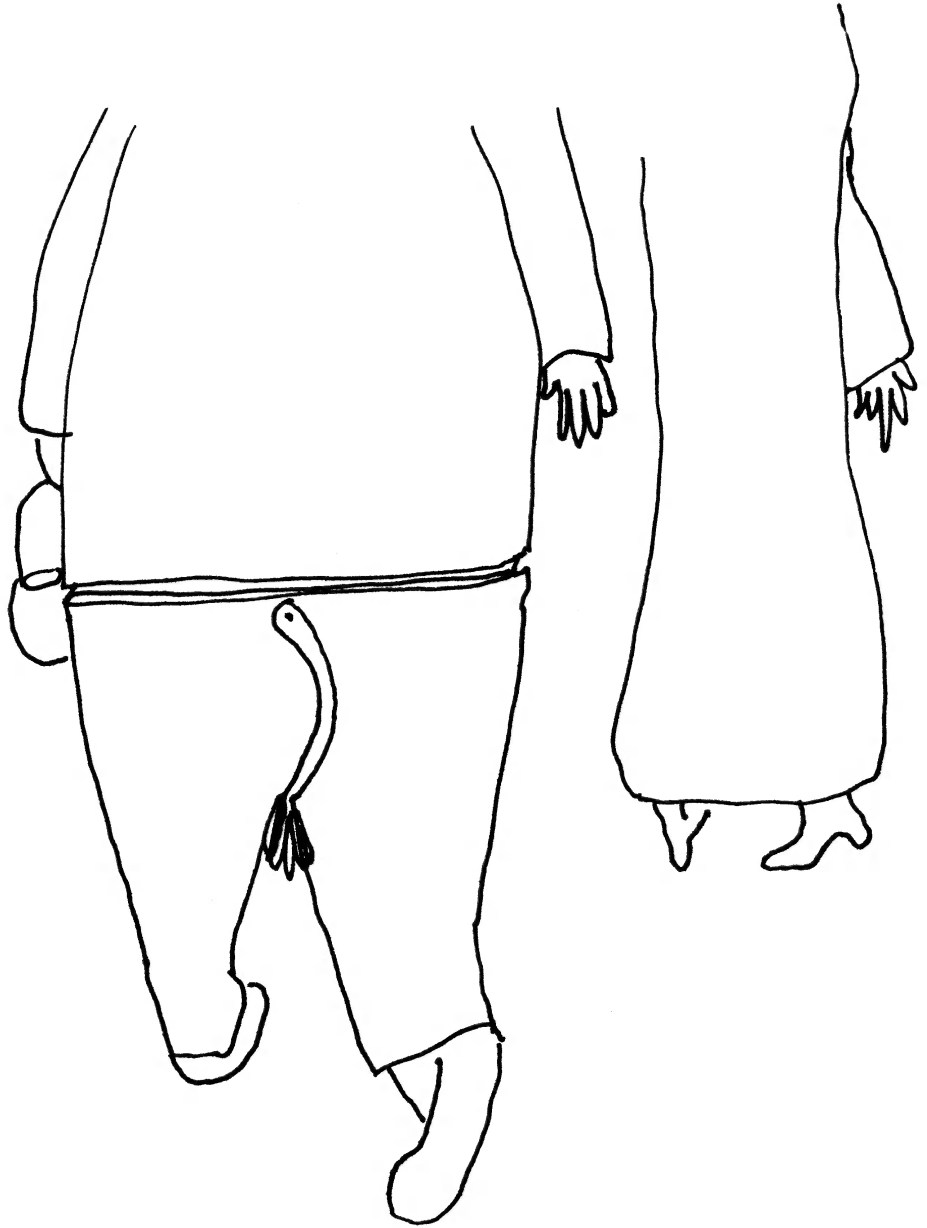

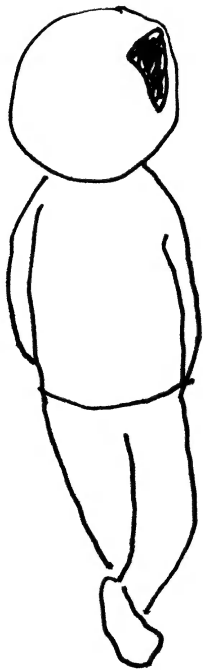

Oh! Sorry, I forgot.

THE END
